

INT. COURTROOM - DAY

Names are read out and the jury box is filled. An uncalled juror addresses an attractive woman sitting in front of him.

MATTHEW

Always the potential juror, never the juror, right?!

JUDGE

Order in the court! Unselected jurors remain in SILENCE until I dismiss you.

MATTHEW

Judge, Judy and executioner over here...

EXT. COURTHOUSE - DAY

MATTHEW

Rebecca! Boy, you run fast down those steps, you're like a reverse Rocky.

REBECCA

Oh hey, were you in the jury?

MATTHEW

I like how you conducted yourself in there; listen, fancy a coffee?

LAWYER

Excuse me, miss, please avoid this man. He's a pickup artist. We can't ban him, it's a public gallery...

MATTHEW

Rebecca, this week of fake jury duty would have been painful if it wasn't for you. Will you marry me?!

JUDGE

This is highly unusual, and I'm not going to allow it. You can't get married in court, only sentenced to life imprisonment.

MATTHEW

That's what I'm saying!
